Transported Semen Contract Just Expect It

This agreement is entered into on the date recorded below by the duly qualified member of Nicoletti-Woodlief known as "STALLION OWNER", Roger Landis, known as 'STALLION MANAGER' and the 'MARE OWNER' whose name or signature appears below. All parties agree that they have executed a breeding contract to breed the mare named below to Just Expect It. In addition to the duties placed upon all parties to the breeding contract, it is mutually agreed by all parties that good and sufficient consideration exists to execute transported cooled semen agreement for the breeding season mentioned below.

All parties agree that every semen shipment via Fedex to the MARE OWNER shall be at a cost of **\$300.00**. **Canadian shipments are \$350.00 US and the cost of Export Documents. Use of any frozen semen stored at a facility will be charged at \$300.00 per insemination. Mare owner must notify Breeding Farm prior to any usage of frozen semen. On site pick up is \$175.00.** If semen is needed the same day via an airline MARE OWNER will be responsible for the additional charge of **\$100.00**. All fees must be paid in advance of the shipment of semen or use of frozen semen. VISA and Master Card are accepted. In addition, prior to the first shipment of semen all breeding fees must be paid in full.

1. The MARE OWNER certifies that STALLION MANAGER is obligated to transport cooled semen to the address of record, which has been provided in writing prior to any shipment by the MARE OWNER. If the MARE OWNER requests more than one shipment, the semen will be shipped to the last known address of record provided by the MARE OWNER to the STALLION MANAGER.
2. The mare owner certifies that the address of record for the shipment is a suitable facility for the artificial insemination of the mare contracted to be bred. It is imperative that the MARE OWNER'S veterinarian be aware of the mare's current breeding status and that she is, in fact, ready to breed. It is the STALLION MANAGER's stated preference that all shipments are made to and inseminations performed at established breeding farms. The mare owner certifies that only the mare that is the subject of the breeding contract shall be inseminated by the shipped semen of Just Expect It. A contract for cooled semen does not guarantee that semen will be available on the day you submit your request. Mares to be bred to Just Expect It in residence at STALLION MANAGERS will be given priority for semen.
3. Collection days are Monday, Wednesday, and Friday. A 24hr notice is preferred for any order of semen.
4. STALLION MANAGER shall ship semen collected from Just Expect It in an appropriate chilled semen container by an overnight courier. STALLION MANAGER and STALLION OWNER further certify that the semen when collected will be of such a degree of mobility and motility so as to reasonably be acceptable for breeding.
5. The MARE OWNER agrees to comply with all AQHA, APHA or other breed association requirements concerning the use and handling of Transported Cooled semen. The MARE OWNER shall properly send the appropriate copies of the Collection/Insemination Certificate to their breed association and to the STALLION MANAGER at the address appearing below.
6. All parties to this agreement agree that the obligations of performance by the STALLION OWNER and the STALLION MANAGER shall be met when the chilled semen shipment is accepted at the address of record as provided by the MARE OWNER. Acceptance shall be defined as the contract expedited parcel delivery carrier actually delivering the shipment container to the address of record and receiving. All parties to this agreement agree that the risk of loss transfers to the MARE OWNER upon acceptance of delivery.
7. The STALLION OWNER and the MARE OWNER shall execute a Breeders Certificate and shall comply with any parentage verification as required by the AQHA, or their respective breed association. This agreement is limited to the 2018 Breeding Season.
